UUUUUU

October 23, 2002

Dear Mr. Gallose:

Thank you very kindly for your letter dated October 18, 2002, calling attention to errors under Schedule A of our July Quarterly report (4/1/02-6/30/02). We have made the corrections, and are herewith filing an amendment. The corrections did not require a refund to any contributor.

We have taken due notice of our "faxed" 48 hour notices for the June 11th Primary, and understand they should have been electronically filed. I understand from our telephone conversation that no electronic transmission of those notices need to be made at this point. We will not make that mistake in the future.

Because these errors were carried over in our October Quarterly report (7/1/02-9/30/02), we will immediately file an amendment to that report. We have made those adjustments in our pre-election report (10/1/02-10/17/02), which we will be filing momentarily.

Your cooperation in this matter is greatly appreciated.

Sincerely,
James E. Clyburn
